Request For Grant Proposals
Festival of Trees Fund Distribution
for
Seacoast Gardens and Environmental / Conservation Projects

The Portsmouth Garden Club - Executive Board - Festival of Trees Grant Committee and the New Hampshire Division of Forests and Lands - Urban Forestry Center are requesting proposals for up to \$500.00 grants to be used for the creation or maintenance of historic gardens, children's gardens, seniors' gardens, gardens in public places, and other conservation and environmental projects. The funds are being provided from the Festival of Trees Fund.

A grant proposal may be submitted by historic societies and administrative boards of historic homes responsible for the care and maintenance of historic gardens in Portsmouth.

The Request for Grant Proposal must to be submitted on the attached form by March 18, 2011. The Festival of Trees Grant Committee and the Executive Board will make their selection by April 15, 2011. The decision of the Committee and Board will be final.

Grant recipients will be expected to submit a written one page report accompanied by photographs of the completed project by October 1, 2011. For more information, please call Elaine Syracuse at 603-431-4790.
